WAYNE ALLYN ROOT NAMED TO PRIVATE ECONOMIC “KITCHEN CABINET” FOR TRUMP AND GOP CONGRESS.

Steve Moore to chair working group that will promote free-market capitalist tax and economic policies

WASHINGTON, March 04, 2025 (GLOBE NEWSWIRE) -- A group of influential economists, entrepreneurs, and academics announced today the formation of the **Private Economic Council**, an organization that will advocate for small businesses and taxpayers in consultation with the Trump administration and Congress. These are high-profile supporters who will use their respective platforms as influencers to help President Trump and the GOP majority deliver for the American people.

Members of the Private Economic Council will work together to advocate for policies that expand economic freedom, incentivize growth, and reduce the burden of government on workers and business owners alike. In addition to weighing in on hot-button topics, they will propose additional policy innovations designed to advance their shared goals of economic freedom and prosperity.

“I’m proud to be a S.O.B. (son of a butcher). Only in America can sons of butchers become successful,” said Wayne Allyn Root. “This is the land of opportunity — but only because of capitalism, limited government, and low taxation and regulation. I am honored to join this prestigious group to help keep it that way.”

About the Private Economic Council

Wayne Allyn Root is a CEO, businessman, best-selling author, and national conservative TV and radio host who has interviewed President Trump 16 times. He is also a nationally syndicated columnist who helped originate and popularize some of President Trump’s most popular campaign promises, such as “No Tax on Social Security benefits” and “No taxes on overtime.” Root was the 2008 Libertarian Vice-Presidential nominee.

John Schnatter is the founder of Papa John’s International, which he started in a broom closet and grew into one of the largest pizza chains in the world. He is a prolific philanthropist and outspoken advocate for entrepreneurs.

Steve Moore is a Senior Visiting Fellow in Economics at The Heritage Foundation. He is the founder and former president of the Club for Growth, and a former member of the Wall Street Journal editorial board. He served as a senior economic advisor to President Trump’s 2016 campaign, helping create the blueprints for the policies that unleashed a historic era of prosperity, including the Trump tax cuts.

Dave Brat is a former member of the U.S. House of Representatives from Virginia who won his first term in office after defeating sitting House Majority Leader Eric Cantor in the primary election. He currently serves as Dean of the Liberty University School of Business.

Barry Habib is an award-winning economist and entrepreneur who is widely credited with saving the mortgage industry from margin calls by persuading the Federal Reserve to avoid actions that could have created severe instability during the COVID pandemic in 2020. TALKERS HONORS W.A.R.

TALKERS is the bible of the radio industry. **TALKERS NAMED WAR** to the famous **“HEAVY HUNDRED”** list of the 100 most important talk radio show hosts in America for the 6th year in a row (2019, 2020, 2021, 2022, 2023 and now 2024). That list contains 100 superstars out of thousands of talk hosts in America.

Wayne joins the biggest names in radio history, including the late Rush Limbaugh, Sean Hannity, Mark Levin, Howard Stern, Dave Ramsey, Glenn Beck, Bill O'Reilly, Dennis Prager, Bill Cunningham, Ben Shapiro, Charley Kirk, Clay Travis and Dan Bongino.

But most of those famous celebrity “brand names” of radio have been in radio for decades. Wayne joined the list only 3 years after starting his radio career.

On this **“HEAVY HUNDRED”** list Wayne debuted at #62 in 2019, and has since jumped up to #37 in America.

But this prestigious list only recognizes radio success. Wayne is also the only one on the list with three national TV shows and a nationally-syndicated newspaper column.

Of course, Wayne is also ranked the #1 radio host in Las Vegas for the 6th consecutive year. WAR dominates Las Vegas radio! Wayne was recently honored with induction into The Nevada Broadcasters Hall of Fame.

Wayne's success has been meteoric.

**“Wayne, it's always great being with you.
We've done some great work together.”**

– President Donald J. Trump 12/24/22

WAYNE MAKES “POWER 50” OF ONLINE RADIO TOO!

Wayne is a dual threat on radio. **TALKERS** rates the top talk shows on traditional radio.

But “Talk Stream Live” rates the top 50 most influential and listened-to streaming talk shows in America.

Wayne’s show made their annual “Power 50” List in 2023 and 2024. Wayne’s show debuted at number 37 in the nation.

See: <https://news.radio-online.com/articles/b17310/Ground-Zero-w-Clyde-Lewis-Tops-Talk-Stream-Lives-Power-50>

Wayne joins the biggest names in streamed radio including Steve Bannon, Alex Jones, Dan Bongino, Mark Levin, Sean Hannity, Glenn Beck, Clay Travis, Ben Shapiro and George Noory.

“We started the show with Rudy Giuliani...But this guy is the biggest hammer of all...Wayne Allyn Root is the OG (Original Gangster) for Trump... Wayne is the ether of the MAGA and Trump movement.”

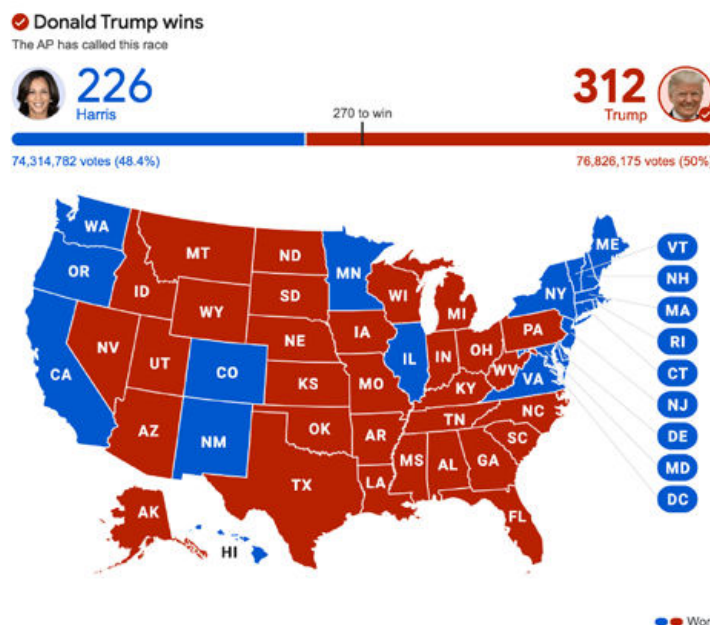

— Steve Bannon, Host “The WAR Room”
Former White House Chief Strategist for President Trump

WAYNE IS THE MOST ACCURATE ELECTION PREDICTOR OF 2024

Wayne makes the most accurate prediction of anyone in the U.S. media!

Wayne made his 2024 presidential election prediction in print in his newspaper columns...in media interviews...and on his TV and radio shows multiple times...

- Wayne predicted Trump would win a massive Electoral landslide - **BULLSEYE!**
- Win all 7 swing states - **BULLSEYE!**
- Win the popular vote by 2 points - **BULLSEYE** (the exact number)!

CONSERVATIVE TV & RADIO HOST WAYNE ALLYN ROOT MAKES LIST OF BEST DRESSED IN WORLD

January 1, 2023

It was quite a holiday season for national TV and radio host Wayne Allyn Root. First, Root interviewed former President Donald J. Trump on Christmas Eve on his Real America's Voice TV show, "America's Top Ten Countdown with Wayne Allyn Root." It was Wayne's 11th interview with the 45th & 47th President of the United States. Trump said of Wayne, "Wayne, We've done some great work together."

Then on New Year's Day Root found out he fulfilled a lifetime goal of being included in "The 14th Annual International Best Dressed List." Root's style was compared to President Trump's New York style of dressing meets Vegas flair!

Other notables joining Wayne on this year's list include former First Lady Melania Trump; President Joe Biden; actress Jennifer Coolidge; and the new Prime Minister of Italy Giorgia Meloni.

Media icons joining Wayne on the list were Judge Jeanine Pirro of Fox News; Greg Kelly of Newsmax; and Charles Payne of Fox Business.

See this year's list (originally compiled by Mr. Blackwell, now compiled for 14th year in a row by Roger Stone):

SIR WAYNE ALLYN ROOT: THE FIRST CONSERVATIVE TALK HOST TO BE KNIGHTED!

It isn't often that conservative talk show hosts receive the honor of being **Knighthed**. But Wayne Allyn Root, nationally-syndicated host of "Wayne Allyn Root: Raw & Unfiltered" on USA Radio Network, may be the first to ever receive that honor. Root was Knighted on June 5th, 2022 at the star-studded Royal Knighting Ceremony and Gala at The Venetian in Las Vegas, Nevada.

Root was Knighted by Prince Rafael of the Royal House of Cappadocia, one of the oldest Royal Houses in the world. Root is now a Knight in the Royal Order of Constantine the Great and Saint Helen and will forever be known as "**Sir Wayne Allyn Root.**" Root was Knighted for his notable achievements in Entrepreneurship & Entertainment.

Other notables Knighted at the ceremony included Sir Alec Stern, billionaire founder of Constant Contact; Sir Ray Parker Jr., songwriter for many of the biggest hits in music including "Ghostbusters," as well as guitarist for The Rolling Stones, Stevie Wonder and Barry White; and Sir Rolando Blackman, former NBA superstar and 4x All Star for the Dallas Mavericks, Olympian, and Congressional Gold Medal winner.

To our knowledge, Root is the only conservative TV or radio talk host to ever be Knighted. (cont'd)

— Sarah Palin, former GOP Vice Presidential Nominee

SIR WAYNE ALLYN ROOT: THE FIRST CONSERVATIVE TALK HOST TO BE KNIGHTED!

Root is already a member of **"The Las Vegas Walk of Stars"** with his 180- pound granite star on Las Vegas Blvd in front of Paris Resort & Casino.

Root said, "God bless America. The American Dream is still alive. Where else can a S.O.B. (son of a butcher) from the wrong side of the tracks, be Knighted and become 'Sir Wayne Allyn Root,' as well as be inducted into the Las Vegas Walk of Stars and the Nevada Broadcasters Hall of Fame. That's one heck of a 'Triple Crown.' ONLY IN AMERICA!"

WAYNE'S TV STAR IS SHINING.

Wayne isn't just a nationally-syndicated radio star. Wayne's success on TV has been even **MORE REMARKABLE!**

Wayne began his career as the anchorman and host of five shows on **CNBC** (then called Financial News Network).

Then he became a popular and frequent guest on **Fox News**.

Then Wayne became the host of **the prime-time** TV talk show on Newsmax TV.

"WAR: The Wayne Allyn Root Show" enjoyed phenomenal and dramatic success.

Wayne's show was so popular that **Bill O'Reilly** joined Wayne to open the show three nights per week (in his old time slot). As the former host of **"The O'Reilly Factor"** on Fox News, Bill was the #1 host on American cable television for 16 consecutive years.

Wayne was the 8 PM ET primetime host at Newsmax for three years and over 700 shows.

When Wayne started on Newsmax TV, the network reached 15 million homes.

By the time Wayne left, Newsmax reached over 70 million homes.

WAYNE'S TALENT FOR BRANDING MAKES MIRACLES HAPPEN

Wayne branded himself “the next Jimmy the Greek” in 1977 at age 16.

**By 1989, WAR became “Jimmy the Greek’s” TV partner.
What are the odds? MIRACLE.**

The media dubbed Wayne as “the King of Vegas Sports Gambling.” Wayne ran with it. He used that moniker everywhere.

By 2006, Wayne was awarded his own 180-pound granite star in the Las Vegas Walk of Stars. It is inscribed “Wayne Allyn Root: King of Vegas.” It was named “Wayne Allyn Root” day in Las Vegas and the state of Nevada. MIRACLE.

Wayne branded himself as “The Ronald Reagan of the Libertarian Party.”

In his first try at politics, WAR became the Vice Presidential nominee of the Libertarian Party and served on the Presidential ticket in 2008. MIRACLE.

Wayne branded himself “the next Rush Limbaugh” in 1998.

With no background in radio, WAR became a nationally-syndicated conservative talk radio show host in 2016. By 2019 he made the prestigious “TALKERS HEAVY HUNDRED” list of the top radio hosts in America. MIRACLE.

Wayne then branded himself “the next Bill O’Reilly” to lobby for a political TV talk show.

WAR soon landed Newsmax TV’s primetime 8 PM ET time slot (the former time slot of Bill O’Reilly), with Bill O’Reilly himself as Wayne’s opening guest 3x per week. MIRACLE.

WAYNE'S TALENT FOR BRANDING MAKES MIRACLES HAPPEN (CONTINUED)

In 2022 and 2023, at the ages of 61 and 62, Wayne landed not one, not two, but three new national TV talk shows. His shows, **“America’s Top Ten Countdown with Wayne Allyn Root”** and **“The Root Reaction”** on Real America’s Voice TV and **“Wayne Allyn Root: Raw & Unfiltered”** at FrankSpeech TV are all hits.

Has anyone in the history of the TV industry ever landed three new shows past the age of 61? Wayne’s brand keeps producing miracles!

As a part-time hobby, Wayne dreams up reality TV show ideas. Three of his ideas have become big hits- **“King of Vegas”** on Spike TV (at the time, the 3rd biggest hit in network history), Sin City Justice on Investigation Discovery Network (averaged over 1 million viewers per episode), and **“Ghost Adventures”** on Travel Channel (for 25 seasons, 230+ episodes- one of longest-running hits in reality TV history).

This may be the best track record in Hollywood history!

Wayne predicted in the media from the day his first daughter Dakota was born (for 18 years) that she would be an amazing one-in-a-million “home-school to Harvard or Stanford success story.”

Dakota Root was accepted by both Harvard & Stanford – as a home-schooler. She then graduated Phi Beta Kappa from Harvard. She is now Dr. Dakota Root. MIRACLE.

Are you getting the picture?

Branding works. And the right kind of branding produces miracles.

Now...

**LET WAYNE BRAND YOU, YOUR COMPANY
& YOUR PRODUCTS!**

**“The things Wayne Root cares about...
speak to a lot of Americans.”**
